## WIDE HORIZONS FUND

The Purpose of this fund is to help the students of Bartholomew County realize the possibilities open to them through excellence in academic, vocational, and special interest studies. Our goal is to encourage and enable academic and interest organizations of the schools in to participate and compete in school sponsored and sanctioned conventions and competitions.

Bartholomew County student organizations with the goal of developing academic or vocational skills may apply for partial financial support to attend the organization's state, regional or national conventions and competitions. Organizations such as math, language, and science clubs, C-4 groups, FFA, musical organizations, and student leadership are examples of included groups. Funds may be used for registration fees, supplies or equipment, transportation, lodging or food.

Applications from BCSC schools should be made to the Bartholomew County School Foundation's Wide Horizons Fund. Applications from Flatrock-Hawcreek Schools should be made directly to Landmark Farm Foundation. Groups must submit approval for the trip from their school administration. Applications for the trip should include an estimated budget, a narrative of the planned program and how the trip will benefit the students. It should also include what the students have done to prepare or qualify for the trip. This may include preliminary competitions, documented practice or goals met.

The BCSC Foundation staff or Landmark Farm Foundation Board will determine if a specific trip meets the guidelines set by Landmark Farm Foundation and will award funds on a first come basis. Landmark Farm Foundation contributes funds only and is not responsible for any incidents which may occur while preparing for or on the trip. Although groups are limited to one trip per school year, groups that successfully qualify for a higher competitive level may apply for additional support.

The amount of funds which may be awarded follows:

One day trip-\$25.00 per student or sponsor.	Maximum per trip \$500.
In-state multiday trip \$250 per student or sponsor.	Maximum per trip \$2,500.
Out-of-state multiday trip \$500 per student or sponsor.	Maximum per trip \$5,000.

Organizations are expected to send a one paragraph - one page report when they return.
